

What Word? Bingo

1. Pick up a card and read the word. Say the first sound (hold continuous sounds, say stop sounds quickly), and then the rest of the word.
2. Students think of what the word is.
3. Students say the word together.
4. Students find the matching picture on the board and cover it with a bingo marker. (Provide assistance if needed.)
5. The first player to cover 4 items in a row horizontally, vertically, or diagonally wins the game.
